Joyce Ewing, 201 Stoney Hill Road, asked about the status of the old golf course property on Oak Lake Road. Supervisor Walker replied the extension has been granted until the end of November. Supervisor Conley stated he spoke with Mr. Schoepke about 3 weeks ago and believes that Schoepke and Alcoa are close to having a deal. Ewing also asked about the status of the community meeting that was supposed to be held with TecFusion. Walker stated they are reaching out to their staff to get some dates.

George Richard, 350 Hunter Hill Road, asked if it was investigated as to why the school bus will not travel down Lower Drennen Road. Conley stated he did not understand why the bus could not go down to Hunter Hill Road and turn around. Conley stated the issue is between the bus garage and the township. Conley stated there are also roads in other communities that buses do not travel. Chief Pate stated that bus drivers come and go and the current bus drive may not want to drive down Lower Drennen Road and next year if there is a new driver that may not have any issue driving down the road. Conley stated the township has applied DGLVR grant and hopefully if granted that will alleviate some water issues on the road. Richard asked how often the new piece of equipment is used. Slahtovsky stated is has been used at least 6 cross drains have been installed.

Chester Lockwood, 7<sup>th</sup> Street Road, stated could an option be given to park at the fire hall parking lot to pick up the children.
